Easter Silks

We are selling an unusually large amount of Silks, because people realize that our Silks are of the best quality and are reasonably priced. Later on, they are sure to be higher.

New Corsets

Few women would attempt to wear the new styles of the season with an old Corset. You must have the right foundation for your new Easter Suit or Dress. The new styles in Gossards deserve especial mention. They add to your grace of carriage and help mould the figure to the prevailing fashion tendencies and without the slightest discomfort. You'd hardly know you had a new Corset on. Gossards to fit your figure at \$2.00, \$3.50, \$5.00 and up. Other makes are Warner's, LaGrecque, Wilhelm and LaResista.

Murley, pleaded guilty to a second offense this forenoon and asked to sign the pledge in lieu of paying the \$15 fine assessed. The court took the request under consideration. Sunny skies and a temperature that might have been described by a well-known American poet as "the mild and healing word of nature," acted as an incentive yesterday for people to launch out into the open. Neighboring sugar orchards were visited and Saturday's copious run of sap made it necessary for most of the farmers to tend strictly to business in the woods. Golfing was a popular diversion for devotees who flocked to the Meadow Brook course on Brook street and to the plateau on Trow hill.
